by David Bowman at http://shamsgrog.blogspot.com/

Here's how I did the Dismal Depths Maps:

1. Print this page
2. Draw map on graph section
3. Scan in grayscale at 600 dpi
4. Enhance as needed
5. Crop the map portion and save image
6. Embed image in your *One Page Dungeon Template*
7. Write adventure
8. Save as PDF and Share
